TUTORS & VOLUNTEERS WELCOME & BRIEFING

Each year the Management Committee organises a welcome luncheon and briefing for tutors, convenors, receptionists and other volunteers, to prepare for the year ahead. This year we enjoyed visiting the Kooyong Tennis Club.

The start of the U3A Hawthorn year is always very busy with new tutors, new members and new courses, as well as a new venue.

The opportunity to meet together and get to know other tutors and volunteers is exceedingly important, as well as refreshing our memories about administrative details and requirements. Tutors and convenors have a busy time in the week before classes start, finalising courses, reacquainting themselves with the AV, photocopying, getting rolls etc.

In the last weeks of January and early February our Membership Co-ordinator is dealing with 10 to 15 enrolment withdrawals and waitlist changes each day, as members find they are overcommitted, or sometime double booked.

This year we are delighted to welcome the following new and returning after a break tutors and convenors:

Carol Barclay	Mahjong
Linda Baynham	Monthly Everyday Science (returning)
David Bennett	Roads & Traffic course (returning)
Liliana Casley	Beginners Spanish
Anna Costa	Beginners Italian
Michael Doyle	Book group (returning)
Richard Groom	Current Affairs
Lillian Gu	Japanese
Wayne Henry	Pilates Co-tutor
Ruth Kivela	Social Table Tennis Wednesday
Jo Leyman	Gallery Visits
Mary & Peter McCarthy	Bridge(returning)
Viv Metzger	Beginners French
Noela Miller	Gallery Visits
Rob Morris	Pilates
Judy Park	Mahjong
Michele Rattle	Mend Sew Chat
Peter Slane	Cycling
Kerin Tulloch	Mend Sew Chat
Sharyn Volk	Egypt under the pharaohs
Rhyl Wade	Beginners Bridge
Janice Warren	Virginia Woolf & Bloomsbury

Each year at the luncheon we recognise tutors, convenors and volunteers who have volunteered for 10 consecutive years and are continuing into their eleventh year. This year the recipients were:

- Sam Alfreds – Tutor of The Magic of Opera
- David Bennett – Member of Management Committee and tutor
- Pam Crack – Tutor of Patchwork and Quilting
- Charles Leong – Tutor of Taichi
- Harvey Sowerby – Campus Manager and Convenor of Table Tennis
- Stefanie Sowerby – Member of Management Committee and Vice President

NEW MEMBERS WELCOME

A morning tea was held on Thursday 1 February to welcome new members to U3A Hawthorn and provide some information on how we operate. This year to date we have over 140 new members. About 70 people came along to the session.

RETIRING TUTORS

In the December newsletter we acknowledged and thanked a number of tutors and convenors for their years of service as they stepped down from their active roles. Over the summer period several other tutors have retired.

MARJORIE MILLINGEN

Marjory has been teaching beginners Japanese language courses for U3A Hawthorn for over 30 years. During this time she has conducted her classes in a variety of different locations including a classroom at Swinburne University, the Hawthorn library and more recently in her beautiful home.

Marjory was introduced to Japanese by her sister Joyce Berdy (also a U3A Hawthorn Japanese tutor) who after her retirement, studied for her matriculation during which she learnt Japanese! Following her matriculation she taught Marjory to speak and write the language fluently.

Unfortunately at the age of 94, Marjorie has had some health issues in recent months and is unable to continue as tutor. We thank her for her many years of service at U3A Hawthorn.

PETER EISLER

Peter Eisler joined U3A Hawthorn at the end of 1999. By 2009 he was the co-convenor of the Tuesday Current Affairs discussion group held at the Evergreen Centre in Balwyn and later at the Leo Baek Centre in Kew. During Covid the group went on Zoom and has continued on Zoom as the online format best meets the needs of participants. Thank you Peter for your enthusiasm and commitment in leading this group. The role of convenor has been filled by Richard Groom who has also been active in this course for many years.

KATE NELSON

Kate Nelson has led the Reading Shakespeare and other classic plays since 2016. The course was established prior to 2005, led by Michael Clark and later by Nigel Creese. This course has been very popular, allowing members to engage in reading and discussing classic drama. Kate has provided wonderful leadership and will be sorely missed. Bernadette Reeders, who has been co-convenor, will lead the group.

GEORGE THEODORIDIS

George commenced teaching courses on Ancient Greece at U3A Hawthorn in 2018. George has translated all of the extant plays of the 5th Century BC, Athenians, as well as many of the Lyric poets. He has translated thirteen volumes of the Greek plays and has a book of his own poetry. His great enthusiasm and depth of knowledge of his field has been greatly appreciated. Unfortunately George is not able to conduct his year long courses but will offer the occasional session during the year as his health permits.

HAWTHORN
UNIVERSITY OF THE THIRD AGE

Politics, Empire & Sport
Associate Professor Pedro Machado
Visiting from the USA

When: Thursday 20 June 2024
2.00-3.30 p.m.

Where: Main Hall Sinclair Ave Campus

Pedro's lecture will consider the place of sport—specifically football—in shaping political life and its trajectories. It will focus on a seminal moment, the Algerian war of independence from French colonial rule, with football a catalyst for liberation.

We are delighted to welcome Pedro Machado, a global and Indian Ocean historian with interests in commodity histories, labour and migratory movements, and the social, cultural, environmental and commercial trajectories of objects. He is Associate Professor of History, and Director of the Dhar India Studies Program at Indiana University, Bloomington where he teaches courses on global slavery, global history, the Indian Ocean, and the transnational histories of soccer. He has published widely, including in leading journals such as the *American Historical Review*, and *Slavery & Abolition*. His several monographs include most recently *Pearls, People and Power: Pearlising and Indian Ocean Worlds* (Ohio University Press, 2020). He is currently at work on a global history of pearl shell collection and exchange. See https://history.indiana.edu/faculty_staff/faculty/machado_pedro.html for Pedro's full bio.

ENROL FOR THIS LECTURE

The Derek Readman Lectures are open to all members of U3A Hawthorn, but enrolment is essential.
Please enrol in this lecture (24READ02) online www.u3ahawthorn.org.au/members or register at Reception. Refreshments will be provided.

THIS IS A DEREK READMAN LECTURE

This series of lectures is named after Derek Readman. The lectures cover a wide range of topics and subjects delivered by experts in their field.

NEWS AROUND CAMPUS

FROM STRENGTH TO STRENGTH: THE DEREK READMAN LECTURE SERIES

2023 was a great year for the Derek Readman lecture series. Lectures were well attended with our three speakers being very well received. Our speakers were human rights lawyer Julian Gardner AO, historian and author David Walker and Professor Kate Burrigge.

In the Derek Readman lecture series we invite outstanding speakers who are specialists in their own field to share their expertise and understanding with us. If you know of anyone you think would fit the bill to deliver a Derek Readman lecture, feel free to contact me through Carol, our course coordinator, via email: courses@u3ahawthorn.org.au. We provide refreshments at the end of each lecture which is an opportunity for the audience to discuss the lecture informally or just chat with others in a social setting.

This year we have another interesting and eclectic line up for you; two of these lectures are already fully booked with waiting lists. Two of our speakers are Sam Lipski who will talk on "The Changing Media" and Professor Samantha Richardson whose topic is "Artificial Intelligence and Machine Learning: the good, the bad and the ugly". If you have enrolled already and find you can't attend could you withdraw your enrolment so that others on the waiting list can get a place? If you are unsure as to how to do this, give our friendly volunteer receptionists a ring and they will guide you through the process.

We are delighted to welcome an international guest, Associate Professor Pedro Machado, Associate Professor of History, and Director of the Dhar India Studies Program at Indiana University, Bloomington, who will deliver the Derek Readman lecture for us in June; his topic will be "Politics, Empire and Sport". There are still places available for this lecture. Lectures are scheduled three times a year, usually on a Thursday afternoon, covering an extensive range of topics and themes with the exception of those which promote political parties or causes. We advertise lectures in advance on the electronic notice board in the reception area, in the Newsletter, Gateways and flyers that are placed in reception and each class room. Keep your eyes open for what is coming up. The series is open to members of U3A Hawthorn only, and you must enrol for each lecture using the membership system; the lectures are listed under "Readman" in Courses.

Many members are involved in ensuring that the lectures are a success including the committee, the catering team, those who help out on the day and I would like to thank them for their contribution and to you, the audience.

We look forward to seeing you there in 2024.

WATCH THIS SPACE!

The encroaching clump of bamboo has been removed on the west side of the Reception building and the gardening group will set about landscaping during Autumn to create a more pleasant environment for our members.

PARKING

Parking is a perennial issue and we are most fortunate to have the adjacent car park at Sinclair Avenue. This is a council car park, it is not ours. Council parking inspectors do patrol and will book those who overstay the 3 hours. Parking is limited to 3 hours to exclude train and bicycle commuters and local workers and hospital visitors from staying in the carpark all day.

Street parking is available on the park side of Sinclair Avenue and there is a carpark on the east side of Burke Road near the tennis club.

We urge all drivers to observe the one way arrows in the car park.

SOCIAL ACTIVITIES

This year we are trialling some additional informal opportunities for social interaction such as the Coffee, Tea and Chat sessions held this term (photograph above) and the monthly Drop-in café on Saturday morning.

Members are also reminded that the main kitchen and the kitchenette are available for members to make their own tea and coffee and use the foyer area and the benches outside on a nice day, or any empty classroom, to sit with friends. There is no charge for tea and coffee except when the coffee machine is used (50 cents per capsule). Receptionists and Tutors/Convenors do not need to pay. We also encourage you to say to someone else in the group – “come and have a cup of coffee with me”.

Courses such as movie visits, gallery visits, walking and cycling groups, photography, excursions are some of the ones that do include coffee breaks as part of the program. Many groups organise social activities at the end of the year.

Intermediate Italian End of year luncheon

The Come and Taste Bordeaux Wines session was held at Glorias wine bar in February. About 20 wine enthusiasts attended. David Stannard gave a very interesting talk about the wines as they were tasted.

The Taichi groups 1.5 and 3 marked the end of 2023 with a group photograph of participants with the tutor Charles Leong. There are now 5 taichi groups at U3A Hawthorn.

VALE DAVID BARBER

We were saddened to hear of David Barber's death in February this year, aged 96.

David was an active member of U3A Hawthorn since 2004 and was the convener of the Chess group for several years before Covid. In 2020 David stepped down as convener and Claus Gyrn took on the role.

Sadly in recent years there have been insufficient numbers to run the course. We would welcome offers to re-establish and lead a Chess group.

BOOK EXCHANGE 2024

The Book Exchange was open during enrolments in November and during Summer School in January and this was again very popular with members. We hope that many new members have acquainted themselves with our special table.

The Book Exchange will continue to be held for a week from the third Monday of each month. We would love to have donations of good quality books and jigsaw puzzles however, please give some thought to the items you wish to donate, most importantly ask yourself if the item is likely to appeal to someone else.

Donations can be left in the tub under the table when the Book Exchange is being held. Please do not leave large donations as our storage space is limited.

We are always looking for more volunteers to help to set up and pack up each month, this is not an arduous task and remember many hands make light work.

If you have any questions about donations or would like to volunteer to help our group, please email jangusk@gmail.com

Drop in Cafe

*Monthly, 3rd Saturday
Dates: 16 March, 20 April*

*West Room 10am - 12 noon
Convenor Julie Houghton*

Just come along, and feel free to bring a friend, neighbour (there's no need for them to belong to U3A).

"There will be a warm welcome awaiting you over our morning coffee!"

No enrolment required.

The inaugural monthly Saturday cafe was a big success, with 14 people dropping in to enjoy home-made fruit cake, biscuits, fruit and a cuppa, as they chatted with fellow U3A members. Two members brought a non U3A member, who also enjoyed the morning. A good time was had by all sums up the morning, so why don't you join us at the next Drop in Cafe on Saturday March 17 between 10am and 12 noon.

MUSIC NOTES

Welcome to our 2024 music world! – and as a start here is a story for you.

Remember back to the time when our Hall did not have a piano? This was a serious lack in our facilities, a lack that must be attended to, and our former President Norm Fary decided that something must be done. After discussing the situation with others, he commenced enquiries and found a magnificent piano shop in Burke Road, where he was recommended to one item in particular. A small sub-committee was formed to inspect and consider, with the help and advice of one of Melbourne's leading piano teachers, who approved our decision.

A few days later, our pride and joy, the Yamaha piano that now stands at the head of the Hall was duly delivered. We had chosen an upright rather than a boudoir grand due to space issues, and seems a wise decision. At first the lid was always kept closed and locked until it was pointed out that it was here for us to enjoy and use as much as possible, and people were urged to try it for themselves, despite initial shyness. From this the Saturday Matinees developed, again a suggestion from Norm and taken on board by a small group of us, first as a trial and now as a regular and popular event in the year's calendar. The monthly concerts are offered free to members and their friends, presented by a wide variety of musicians and followed by light refreshments and conversation between players and audience. The piano also provides an important part in the music series delivered throughout the year by Roger Creed, and in occasional offerings from the Gateway Singers and other small musical groups.

Currently it is waiting to be tuned and ready for the start of the concert series. Meanwhile our other music groups are getting underway, and it is interesting to note that we have the combination of two of our instrumental groups, recorders and guitars, to present the first of our Sat Mats series.

The Orchestra will be starting rehearsals on February 29th preparing for its first concert for the year under the direction of David Keeffe and titled "Musical Landscapes". Details of individual concerts will be found in the publicity throughout the Campus before each concert.

GATEWAY SINGERS CHOIR

In late November 2023, the U3A Gateway Singers held our most successful concert to date. A special thank you to our conductor Julie Lancashire, our regular piano accompanist Roger Creed and to the musical support for a number of songs from members of the U3A Orchestra. After the concert a bountiful afternoon tea was enjoyed by all.

With Julie, our conductor, recently relocating to country Victoria, choir practice has moved from Tuesday mornings to Tuesday afternoons to

accommodate Julie's extra travel time. In 2024 the choir has also picked up some new members, including a number of males to hopefully provide more strength to our tenor and bass voices.

We are currently working on a number of our best loved pieces, together with some new material for our next concert, to be held on **Saturday 22 June at 2pm** in St John's Church, Burke Road, Camberwell.

"If you want to stimulate your brain, listen to music. Research has shown that listening to music can reduce anxiety, blood pressure and pain as well as improve sleep quality, mood, mental alertness and memory."
